

PREMIER COMPONENTS, INC.

Company Overview

Founded in 2004, Premier Components has quickly grown into a world-class manufacturer and supplier of superior mill and elevator products for the agricultural industry and beyond. Located in rural central Michigan, we offer components for a wide variety of needs. Our mission: To be the leading supplier of premium quality, yet affordable, material handling accessories in North America. Our purpose: Saving our customers money and helping your projects become more efficient and successful.

Customer Satisfaction

Customer service is the most vital part of our business. We aren't happy if you're not happy. Our commitment to our customers guarantees timely quotes and courteous transactions. We are never more than a phone call away and always willing to answer any questions that may arise. Although our core industry is the grain, feed & seed market, we work with other industries as well to help achieve cost saving customer service at it's finest. Regardless of the industry you are in, we believe our knowledge and expertise can help you be more prosperous. Let us know how we can best serve you.

Capabilities

Premier Components stocks a large quantity of mill and elevator accessories in our Michigan and Kansas warehouse facilities. Spouting can ship from our Michigan warehouse or direct from one of our mills in Nebraska or Kansas. We offer the best spouting pricing in the country and offer flexible deliveries to get you your products when you need them at the best possible price. Whether you need carbon steel, painted, galvanized, or stainless steel spouting and accessories, we'll give you quick turnaround time. Urethane, UHMW and ceramic linings are also available. Elbows, angle rings, and clamp bands are always on hand in a variety of sizes along with cushion boxes, valves and slide gates. In need of trussing for your spouting? We provide bolt together truss kits complete with cable, turnbuckles, cable clamps and thimbles. Check out our pricing on powertrain components including motors, gearboxes, pulleys, belts and bearings. We are also an industry leader of both parts and complete u-trough and tube/screw conveyors. As a dealer for Hutchinson, we can deliver the best bin sweeps and augers available. In need of replacement conveying parts? Premier Components has unbeatable pricing on elevator buckets, belting, chain, paddles, sprockets and associated hardware. From dust control to bin level control, from elevator bolts to electric motors, Premier Components has it all. Please call today and let us *earn* your business.
